

# Call for papers

## Public Law and Algorithms

### Towards a Legal Framework for the Fair Use of AI by Public Administrations

The Conference will be held on May 15-16, 2023 at the University of Valencia (Spain).

The topics covered will include, but not be limited to, the legal and ethical implications of AI, Big Data and robotics as well as Internet and platform regulation.

The organizing committee invites those interested in submitting a paper (in English) to send either a copy of the final paper (including an abstract of 200 words) or an outline (2 pages) to [Andrea.Kruithof@uv.es](mailto:Andrea.Kruithof@uv.es) by April 15, 2023.

Conference participants are expected to cover their travel and accommodation costs. However, limited financial aid is available for few invited speakers and for 5 selected papers presented by PhD candidates (up to 250 € per person).

Communication of acceptance will be notified by the April 19, 2023. For further information, please contact [Andrea.Kruithof@uv.es](mailto:Andrea.Kruithof@uv.es)

Scientific committee: Alba Nogueira (USC), Mireia Artigot (UPF), Lorenzo Cotino (UV), Gabriel Doménech (UV), Alba Soriano (UV), Andrés Boix (UV), Andrea Kruithof (UV), Clàudia Gimeno (UV)
